the cremation company

General Price List Effective July 1, 2012

Following are the current fees to be charged for service rendered at the time of death. These prices may increase during future years. You do have the opportunity to pay the cost at today's prices by depositing the necessary funds with our company in a Pre-Need Trust Plan. This allows future services to be guaranteed and fully paid for the rest of your life. Information concerning the trust plan may be obtained from our offices.

Transportation

Removal of the deceased from the place of death and other transportation needs within a 30-mile radius of Chicago Metropolitan Area. (Additional mileage of \$1.55 per mile, one way) \$285.00

Professional Services

Preparation of deceased for cremation. Obtaining and filing required legal documents. Arrangement conference. Twenty-four hour availability. \$335.00

Cremation and Repository Facility

Three to five days will lapse from the time of death until the cremation is complete. This time span necessitates refrigeration thus eliminating the need for embalming. \$440.00

Administrative Fees

Includes the maintenance of lifetime records, salaries, taxes, insurance, advertising, telephone, legal and accounting, and other overhead expenses. \$350.00

Total Direct Cremation Cost \$1410.00
